A day shoot counts as 12h door-to-door. We have bateries normaly for 10 flights and can charge also while flying. 30 min prep time. If we exceed the limit off 15 flights we charge extra each flight.

Tekst in blue is extra on request and conditions are charged if there is the need to fly in them.

Pilot has the right to say no if he thinks that it is not safe or too risky. Camera provided by Client/production and lenses are not insured by Kopterworx in case off damage.

Provided by the client: Film or media storage and hotel and travel expences paid by client.

Payment: 20% payment in advance on our bank account.
